

**NEXT PAGE:**

# Fluffy Sheep Finger Puppet

## GETTING STARTED

- 1 Use the sheep template and cut it out. Also, cut out the two holes at the bottom.
- 2 Put glue all over your white cloud shape, but leave the finger holes clear. Press cotton balls onto the glue. Now your sheep has a warm, woolly coat!
- 3 Stick the wiggle eyes onto your sheep's eyes.
- 4 Put two fingers through the holes at the bottom. Your fingers are the sheep's legs! Now you can make your sheep walk, jump, and say "Baa!"

Show Anna and Dean how your Fluffy Sheep Finger Puppet turned out! Send your photo to: [Anna-en-Daan@deheus.com](mailto:Anna-en-Daan@deheus.com)

## What do you need?

- Sheep template
- Soft cotton balls
- Glue
- Scissors
- Wiggle eyes
