

## RECIPE

# Pig cupcakes

## GETTING STARTED

- 1 Roll out the pink fondant. Cut out a circle that fits on the cupcake and place it on top. This will be the pig's face.
- 2 Make two equal small pink balls.
- 3 Flatten one ball to create the snout and use a toothpick to make two nostrils.
- 4 Cut the other ball in half and shape the pieces into ears.
- 5 Make the eyes using two tiny balls of brown fondant.
- 6 Attach the snout, ears, and eyes to the face using a little water.

*Enjoy!*
