

RECIPE

Popcorn sheep treats

GETTING STARTED

- 1 Cut out the sheep faces
- 2 Pop some popcorn into each clear bag.
Don't overfill—leave space at the top to close it.
- 3 Stick the sheep face to the front of the bag using glue or tape.
If you want, tie the top of the bag with ribbon or string for a neat finish.
- 4 Arrange all the sheep bags in a basket or on a tray.

Fun tip: Add a fun sign like "Thanks for joining our flock!" for extra smiles.
