Craft your own cow Farmyard bauble

GETTING STARTED

1. Draw and cut out a large oval from white felt sheet for the body and a smaller round shape for the head. Stick the head onto the body.
2. Cut out patches from black or brown felt sheet and glue them onto the body.
3. Draw and cut out a pink oval shape and two ears; stick them onto the head.
4. Cut out two black eyes and glue them onto the head. Draw the mouth and nostrils on the snout with a black marker.
5. Cut pieces of string for the legs and for hanging the cow in the tree:
   - Two long pieces for the back legs
   - Two short pieces for the front legs
   - One piece at the top to hang the cow in the tree
6. Glue the strings to the back of the cow.
7. Attach two black pom-poms to the ends of the front legs and two gray pom-poms to the ends of the back legs.

Tip: The 2D animals are super fun! You can also turn them into 3D by cutting the head and body pieces twice, stuffing them with wool, and neatly sewing the edges closed.

What do you need?

- **Felt sheets:** white, black or brown and pink
- **String**
- **Mini pom-poms**
- **Googly eyes** (or black/white fabric paint / markers)
- **Glue**
- **Scissors**
- **Black marker**
